

ABUS 1500/110

Tootekirjeldus

Abus 1500/110

The Chain Lock 1500/110 Web from ABUS with security level 3 out of 15 is a good protection and is particularly suitable for parking places with a low risk of theft and is recommended for securing low-range bicycles and children's bikes.

Chain lock for those who are always on the move: Abus 1500/110

Although the ABUS Chain Lock 1500 Web requires a key, it can still be opened quickly if you're in a hurry. The trick here is that the ABUS 1500 Web Chain Lock can be clicked shut without the key being in the lock.

Features - Abus 1500/110

- 4 mm round chain with textile sleeve to protect against damage to the paintwork
- Convenient transport around the seat post tube
- The chain is made of special steel
- Basic protection against a low risk of theft
- Recommended for securing low-range bicycles and children's bikes
- Locking with one click even without key inserted
