

TOOTENIMETUS	SOODUS	HIND
Padlock ABUS 55/25 ABUS 55/25 is made of corrosion-free materials ensure the longevity of the lock. Inside, a precision pin cylinder with mushroom head pins is used. The exterior is protected from wind and weather. Locking is done without a key by pushing down the shackle. The application possibilities are wide-ranging: You can use it, for example, to secure log cables or to secure doors, gates, cupboards, lockers, tool boxes, cellar windows, sheds, switchgear or barriers.
