## Tootekirjeldus

The ekey frame from basalte for the ekey finger scanner is a cover made out of aluminum. The ekey frame from basalte is intended for use in both domestic and business applications. The ekey frame from basalte is designed for fixed mounting and for use in protected outdoor areas. The ekey frame from basalte is an optional component that can only be used in conjunction with the ekey finger scanner. The ekey frame from basalte is not suitable for use with flush mount back boxes of the following types: Helia O-range, Kaiser (1055-xx x 1056-xx), ABB 3040, ABB HW52-FIGD und HW52-F BW.
