Brake disc lock ABUS GRANIT Power XS 67/105HB50 (yellow)	91.46 ?	121.94 ?
Brake disc lock ABUS GRANIT Power XS 67/105HB50 (yellow) is a high-quality padlock designed for securing brake discs. It features a robust yellow body and a black shackle. The lock is equipped with a keyhole that is protected by a sliding cover, which can be moved upwards to reveal the keyhole. This design helps to prevent dirt and corrosion from entering the keyhole, ensuring reliable operation. The lock is made of hardened steel and is resistant to cutting and drilling. It is suitable for use on a wide range of brake discs and is a popular choice for both residential and commercial applications.
