

# ABUS Diskus 23

## Tootekirjeldus

ABUS 23 Series Diskus padlock is an economy version of the distinctive ABUS 26/70 series Diskus padlock, incorporating the original Diskus design with a competitive price. It features a shackle made from hardened steel and protected in a stainless steel body, as well as a anti-cut plate and a quality welded seam that secures attacks from all angles.

### Useability:

- To secure valuables / goods of greater value or at a high risk of theft
- To secure doors, gates, cupboards, cellar doors etc.
- Ideally used with ABUS Diskus hasp No. 140: virtually impossible to attack shackle

### Product Features:

- Precision pin tumbler cylinder with anti-pick pins
- Key Retaining: locking only with the key (lock retains key until locked)
- Made in Germany
- Original Diskus design: 360degree protection
- Sophisticated Diskus welded seam for highest break resistance
- Stainless steel body and shackle
- Shackled made from hardened steel
