ABUS Granit Victory XPLus 68 Half-Round Brake Disc Lock

The ABUS Granit Victory XPlus 68 brake disc lock offers thieves hardly any starting points thanks to its innovative design.

Features:

- 14mm locking bolt
- Half-round locking head
- Excellent grip thanks to the rubberised ring
- The bolt, lock body and supporting elements of the locking mechanism are made of specially hardened steel
- The round shape hinders the use of opening tools
- ABUS XPlus cylinder for exceptionally high levels of protection against manipulation attempts such as picking
- Two keys are included in the scope of delivery
- ABUS Code Card for additional and replacement keys
- A Memory Cable that acts as a reminder against accidentally driving away with the motorbike still locked is included in the scope of delivery. With the "Roll Up" version, it is integrated into the bolt

Specifications:

• weight: 720g
