

ekey ModulS Siedle

Tootekirjeldus

The ekey ModulS for Siedle Vario flush-mounted is a build-in module which is micaceous dark gray in color and used to cover the slanted ekey finger scanner outlet-mounted for electricians in the Siedle Vario flush-mounted door station. The ekey ModulS is designed for fixed mounting on the ekey finger scanner outlet-mounted for electricians in the Siedle Vario flush-mounted door station, and for use in unprotected outdoor areas. As a component of the ekey finger scanner outlet-mounted for electricians, this ekey ModulS can only be used in conjunction with this particular product.
